Has Been Club News

By: James Creech

At the July, 2017 meeting of the "Has Been Club", Head Potentate, Goober Morris, called the meeting to order as soon as he could. Thomas Edwin Murry, the acting Foot Potentate, gave a report on sick and injured, which was very lengthy.

The two Charles-es, (Creech & McClure), wanted to know if any one won the door prize. All I could tell them was that the other two Mac's present did not. That being Bobby McPherson and Jerald McCord. That only left Michael Bryant and Rodger Warren. They lost also. The grand winner was not there. Guess who it was? Come on out the third Wednesday in August and find out.
