The work picture is still looking good for the near future, we are having a Job Fair at the Hilton Hotel in Arlington from 5:00 PM to 10:00 PM, August 16th. If you know any electricians that would like to work as Union Electricians, invite them to come to the Job Fair or call our Membership Development Department. We need more electricians to man the work we have now in the jurisdiction, and this will continue as we get more work.

If you are interested in any training such as Code of Excellence, COMET, or Steward's training, e-mail me at pwarwick@ibew20.org, and I'll put you on the training list. When we get enough people interested, we will schedule the training, currently there are five people on the list.

Anyone interested in serving as a delegate or on a committee e-mail me at pwarwick@ibew20.org, and I'll get you on the volunteer list.

Jose Lara won the monthly dues door prize. No one won the recurring door prize so it will be \$252.00 at the August 7th meeting.

We've had some members that were caught stealing wire from jobsites. Stealing is never a good thing and will cost you your job, but stealing aluminum and copper is a felony. It will cost you your dignity, a lot of money, and could cost you your State License. Remember one bad deed or action affects all of us in the IBEW.

The 2018 Annual Awards Banquet will be held on October 27, 2018, at the Hilton Arlington. More details will be in the next newsletter.
