**A Message from A. C. McAfee
Business Manager/Financial Secretary**

Dear Brothers and Sisters:

The Stewards Class that was scheduled for Dec. 13, 2008 has been rescheduled as follows:

Saturday, January 31, 2009

Electrical Training Center

680 W. Tarrant Rd.

Grand Prairie, TX 75050

8:00 AM – 4:00 PM

Lunch will be provided by the Local Union.

All Stewards are requested to attend. Also, if you are interested in being a Steward or in knowing what a Stewards responsibilities are, then please attend the class. We can handle up to 30 attendees.

Please call the LU Referral Office to put your name on the list.

The Training Center always has training classes available for Journeymen, Construction Electricians, and Construction Wiremen. Please take advantage of these classes by calling the Training Center at 972-266-8383 ext 101.

Construction Wiremen/Construction Electricians are also encouraged to apply for the Apprenticeship program. There are several ways a member can meet the requirements to qualify for an interview by the Apprenticeship Committee. By having the educational requirements is one way, but having enough on-the-job experience is another. Many applicants would want to start in the 1st year and go through the entire program. Others might be slotted into a higher year. The pay rate is determined by the Apprenticeship Committee at the time of the interview. It is normally not lowered, but either remains the same or is increased. Every situation is determined on a case by case basis. Please call the Apprenticeship Office at 972-266-8383 ext 101 or 102 if you have any questions.
