**A Message from A. C. McAfee  
Business Manager/Financial Secretary**

Dear Brothers and Sisters:

## NEW BUILDING

The construction of the new building is progressing in spite of bad weather. Rain is still delaying some of the exterior work and masonry work is delayed by freezing weather. The Bricklayers are trying to complete the interior block so roof work can start. The interior block has to be “topped out” before the Roofer can begin. We are hoping that the Roofer can begin the first week in January 2010.

Sheet metal, plumbing, steel studs, and electrical rough-in are proceeding on the interior. Some of the sidewalk has been poured. There is one driveway that still needs to be poured when it dries up again.
