## A Message from A. C. McAfee Business Manager/Financial Secretary

Dear Brothers and Sisters:

### REFERRAL PROCEDURE

The Local Union Referral Procedure has been revised to add a “Call-in” component to allow a member to sign the day sheet by phone. This is going to be a 90 day trial to see if it will work without being too cumbersome and unwieldy. The rest of the Referral Procedure is unchanged.

This will go into effect on April 1, 2010.

### STEWARD REPORT

The following Stewards attended the last Local Union General membership meeting and gave a short report on the status of their job.

Chris Rutkowski – Redden - Raytheon job

Danny McGarity – Comstock – DART Rail Project

Reggie Salazar – Hargrove – Exxon/Mobil

Stan Taber – Angiel – XTO building in Ft. Worth

Richard Echart – Angiel – VA Hospital

Robert Kern – Boggs – Bell Helicopter Plant 5

### DOOR PRIZE

The Door Prize at the last Local Union meeting was won by Adolfo Martinez.

### HEALTH & BENEFIT

The Trustees of the Health and Benefit Fund have approved accepting PCA accounts and transferring them to HRA accounts. This will take about six (6) weeks to allow the administrative and software changes necessary.

### **DEATH BENEFIT FUND**

I want to remind all Members and Retirees that the Bylaws regarding the Death Benefit Fund only allow someone to be in arrears for one (1) year on paying death benefits. Anyone who is in arrears more than one (1) year will not receive a death benefit. If you are in arrears more than one (1) year at this time, it is suggested that you get caught up immediately. If you have any questions, please call Linda Madden or Linda Rutherford at the LU Office.

If you participate in the LU#20 DBF, and, in the event you have entrusted a family member or friend to handle your financial affairs, it is very important that you inform them and make them aware that when death assessments are due, payments should be made accordingly.

### **BLOOD DRIVE**

The North Texas Electrical J.A.T.C. is hosting a blood drive by Carter Blood Care on June 1, 2010 from 1:00 PM till 7:00 PM.

### DEATHS

In the October, 2009 and the February, 2010 newsletters, we inadvertently left off some names and DB#'s of members who had passed away. Due to our error, this has caused some confusion among some of the members.

Please understand that your payment toward a death benefit is not applied to the same db# twice. If you are not sure what DB# you are currently paid through, just look on your receipt and you should see the db#(s) that your payment was applied to. If you still have questions regarding your death benefits, please call the LU#20 Business Office and speak to one of the ladies.
