Dear Brothers and Sisters:

The work picture is still looking good for the future. If you know any electricians that would like to work as Union Electricians, have them call our Membership Development Department.

March 30th will be Linda Rutherford's last day as she is retiring. There will be cake and refreshments at the hall so drop by to wish her well on her new and exciting journey.

The Union Sportsmen Alliance 7th Annual Sporting Clays Shoot will be Saturday, April 7th. If you are interested call the hall to get signed up.

The nominations for Local 20 Officers will be at the May 1st meeting, with a nominees training session immediately following. Anyone interested in getting a copy of the "U.S. Local Union Election Guide", can contact the hall and we can send you a copy.

There will be an Advanced Estimating Class, date TBD, call NECA office at 817-633-3332, to get on the list. We need a few more people for this class.

If you are interested in any training such as Comet, Code of Excellence or Steward's training, call the hall and we'll put you on the training list. When we get enough people interested we can schedule the training.

Anyone interested in serving as a delegate or on a committee call the hall and get on the volunteer list.

The Local 20 Picnic information is included with this newsletter, be sure to return the RSVP card and come on out for fun and fellowship June 2nd.

The Primary Elections are over and now get ready for the Primary Runoff Elections for those candidates that didn't get enough votes to win outright. The Primary Runoff Election day is Tuesday, May 22nd with early voting Monday, May 14th through Friday, May 18th. I will post the AFL-CIO endorsements next month.

Has Been Club News

By: James Creech

Bobby McPherson, Tom Randolph, Jerald McCord, Rodger Warren, Tommy Wilcoxon, Phillip Morton, Thomas Murry, Charles McClure, Goober Morris, Michael Bryant and James Creech, all met for Feb. meeting of the "Has Been Club." We talked politics and every other kind of tic. Funniest story was told on the late Clyde Bland. It was on Clyde's first job as a foreman for Ling. And Clyde was pushing to make a great showing. So in a meeting to get more production someone pointed out to Clyde that "Rome was not built in a day." Rufus Attaway, Clyde's half brother, piped up and said, "But Clyde was not pushing that job."

Hope to see everyone at the next meeting.

Fraternally,
